About Us

High Spirits Harmony is a vibrant women's a cappella group based in Adelaide, South Australia.

We are dedicated to producing high-quality performances in a diverse range of musical styles from traditional to contemporary.

Each performance is grounded in a desire to entertain and bring joy to our audiences.

We perform at community and corporate events in both outdoor and indoor settings.

Our song choices for any particular event are tailored to the event's needs and purposes.

Our gold medal win at the 2023 BHA competition in Auckland - along with numerous other successes in competition and performance - is evidence of the high standards of performance that the choir delivers.
